a division of ILUDEST

ILUDEST®
Distillation tailor-made

Every ILUDEST-/i-Fischer-system is a unique high-end product that precisely meets the specific concepts of our customers and turns challenges into solutions.

100 ml per day or 100 litres per hour,
solvents or acids, scents or crude oil,
at 350 °C or 10⁻³ mbar ...

Your requirements are our challenges.
